

## Introducing Wines from Jean-Marc Brocard

*A Vine grower, Jean-Marc is also a merchant maturing and trading 4,000,000 bottles a year. A specialist in the different wines of Chablis and its surrounding region, Brocard and his assistant wine maker, Oenologist Patrick Piuze pay close attention to the different characteristics of the various vineyards within the estate. Different cuvées of Chablis are labeled to the astrological sign at the time of bottling.*
