

# 2009 Paso Robles Cabernet Sauvignon

Octavia Paso Robles Cabernet Sauvignon has consistently come from Firehouse and Branch Vineyards in the heart of the Paso Robles appellation. We chose these vineyards, because while they have the heat indicative of the appellation, they also have excellent soil structure and uniformity, allowing the grapes to ripen evenly and develop rich concentrated flavors.

Our Cabernet Sauvignon is fermented at a cooler temperature to maintain the aroma of strawberries and dried cherries. We've given this Cab a limited oak regime of French and American Oak. By not pushing to much oak on the wine, we allow the fruit to shine through. This wine is perfect for many of your favorite hearty meals or shared with friends on its own. Enjoy!!
