

# BT Syrah Rose 2010

**Winery:** Bodegas Santa Quiteria

**Region:** Almansa D.O.

**Grapes:** 100% Syrah

**Winery:** Formed in 2001 Santa Quiteria's production is focused on a type of Grenache known as Garnacha Tintorera. Other grape varieties used, but to a much lesser extent, are Tempranillo, Syrah, Cabernet and Petit Verdot. The site of the vineyards is at an altitude of between 900 and 1100 meters, which has proven ideal for this special clone of Grenache.

**Wine:** This wine is made from young syrah vines, around 10 years old, grown in the winery's vineyards at 1000 meters elevation. The grapes are harvested

at the optimum moment for varietal character and freshness. Grapes were destemmed and saw a 5 hour prefermentation maceration with skins prior to pressing and static clarification. The must was fermented in temperature controlled stainless steel tanks at low temperature to maintain fresh fruit aromas.
