

## Bellevue Touraine Rose 2008 Datasheet

This is a wine of five varietals red to white juice, Cabernet Franc, Cabernet Sauvignon and Pineau of Aunis and the Gamay, and the côt.

Prior to pressing, the harvest is to macerate 12 hours to extract a maximum of aromas and enough color.

This is a summer lunch wine.

### Tasting Note:

Salmon pink dress, intense color. Powerful taste and nose dominated by the fruity fresh red (raspberries, cherry) flavors. A lot of volume in the mouth. Fruity very present "cherry" type. The final is dense long and structured along with even fruity. A nice aromatic return.
