

COMM. G.B. BURLOTTO

Dolcetto d'Alba doc Rosso

The bouquet is powerful, with bitter almond blossoms mingled with red berry fruit and some sweetish accents; quite pleasant to sniff and rich too. Considerable depth, and nice fruit laced with alcohol. On the palate it's rich, with clean lively berry fruit supported by deft slightly greenish acidity and by tannins that have a slightly bitter burr and flow into a clean bright bitter berry fruit finish.
