

Château du Cèdre  
Cèdre Heritage

Malbec  
Cahors AOC  
2012

*"From one of the top estates in Cahors, this complex, dense wine is both structured and packed with great fruit. At the moment, the tannins are in charge, big, bold and dense. Over the next few years the opulent black fruits will come out strongly, bringing richness along with impressive concentration. Drink from 2019."*
