Year of Vines: 1998

Lot #: 102

HARVEST FACTS

Average Sugar: 26,4 Brix

pH: 3,6

Harvest Date: April 15th, 2004

WINEMAKING

This wine has been made with quality grapes. It took vineyard selection and hard work to reduced yield to 3.0 to 3.5 tons per hectare. We picked a specific lot of 1 hectare and worked from it. The wine was invented one year before it was harvested. More than a year after harvest, it was bottled where it remained for one more year of aging before release.

FINISHED WINE FACTS

Bottling date: June 2005

100% Malbec

Bottles Made: 1.450

Estate bottled

Total acidity: 5,5 gr/ltr

pH: 3,66

Alcohol: 14,7 % vol.

TASTING NOTES

Aromas of blackberry, violets and a hint of graphite. Fresh fruit and smoky notes on the midpalate give way to a balanced finish.
