ALCOHOL	13.6%
PRODUCTION	207 cases

### DuNah Vineyard, Russian River Valley

Blackberry, vanilla pod and violet co-mingle with darker aromas of sandalwood, saffrafras and shiitake mushroom. The palate is balanced with red cherry and pomegranate fruit, peaty earthiness and minerality. Fresh acidity and supple tannins mark the late palate, followed by a clean finish. The firm structure and concentration of this wine ensure its age ability.

Planted above the fog line in the Sebastopol Hills, the DuNah Vineyard is the southwestern outpost of the Russian River Valley appellation. Established in 1998 by growers Rick and Diane DuNah, this site enjoys long hours of sunlight, cool coastal temperatures and breathtaking Sonoma County views. From this exceptional site, our aim is to create an age-worthy Pinot Noir of great depth and color, enabled by extremely small berries and a high skin-to-juice ratio.
