Armelle and Bernard RION, associated with their daughter Alice, are working on 8 ha, mostly on Côte de Nuits. For the work of the vine and the wine aging, the Rion family keeps using the tradition handed down from generation to generation.

NUITS-SAINT-GEORGES 1^{ER} CRU « Les Murgers »

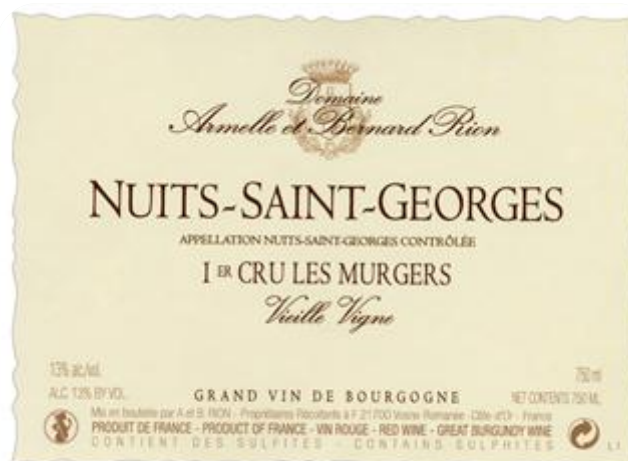

Red wine made from Pinot Noir grapes.

Nuits-Saint-Georges 1er cru « Les Murgers » (0,40ha) is located at the North of Nuits-Saint-Georges, very near to the Vosne-Romanée village. This plot is on a great clay-chalky slop. The grapes come from a more than 85 years old vineyard! The Murgers plot is not clean with herbicides. We use our tractor to work the ground. We do a sustainable viticulture, using no insecticides at all!

The crop is totally picked by hand and then fully destalked. The berries will then ferment in concrete open roof vats during 2 weeks at least. All the works in the winery are traditionally and made by hand. To press the wine, we use a pneumatic press which gives us a soft and delicate pressing. The wine will age in French oak barrels during 15 months about. There are usually 55% of new oak barrels in this wine.

Nuits-Saint-Georges 1er cru « Les Murgers » is a powerful, rich and complex wine. The mouth is very round with a velvet finish. You will find in many red berries fruits during their first years and after few years of maturity, the flavours will change to earthy, forest and mushrooms. It will match well with some red meats, grilled or in sauce, game and lamb.
