ROSE

*Vineyards* in the areas around Sannicola, Parabita, Alezio, Campi Salentino, Veglie

*Grapes* Negroamaro 90% and Malvasia Nera Leccese 10%

*Maturation* steel tanks

*Ageing* at least 2 years

*Alcohol* 12,5% by volume

*Colour* brilliant, deep rosé with flashes of coral

*Bouquet* intense, rich fragrance of berries and flowers with hints of Mediterranean scrub

*Palate* silky and generous with persistent fruit

*Serving* 12-14° C, pull the cork when serving

*Accompaniments* fish soups, grilled fish, white meat, vegetable soups

*Bright medium pink-red. Knockout nose combines raspberry, minerals and fresh herbs. Wonderfully tangy and delineated but at the same time luscious and seamless, with superb energy and concentration to its raspberry, red cherry, quinine and spice flavors. Finishes very long and scented, with outstanding complexity. One of the best rosatos from Italy I have tried all year.*
