

Alex Sotelo's "Alma" is a bright and lively Sauvignon Blanc that lives up to the definition of its name, spirit. Full of bright apple, king lemon, and pineapple on the nose and rich apple, grapefruit, green olives, and crisp acidity on the palate, this wine is just heavenly.

MUSCATO

A tribute to Alex Sotelo's seven sisters, this Muscato is a delicious treat. It will automatically put a smile on your face in response to the powerful and exquisite nose of fresh apples, peach, apricot, and orange blossoms. Make no mistake, the palate will not be disappointed - the nose is followed up by flavors of explosive apricot, melon, and citric acid.
