BAROSSA VALLEY

## 2009 Roussanne Marsanne Viognier

*Following the success of our estate grown The Steading Blanc and in keeping with our Rhône influenced wine styles, the Roussanne Marsanne Viognier is wonderfully lifted, floral and fragrant.*

*The dominant variety is roussanne which provides structure and finesse and ties the three varieties together. The marsanne gives the wine some palate texture and richness. The viognier offers a pure, floral lift and finishes the wine with refinement and elegance. This blend demonstrates that these non-traditional varieties to the Barossa have adapted to their new home just as well as their red counterparts have done over the last century or so.*

*Although beautifully enjoyable in its youth with sashimi and fresh shellfish, this wine will continue to increase in complexity with time and should provide compelling drinking over the coming years.*

*‘This is the kind of wine that I like to drink  
after a hard day’s work in the vineyard’*

*David Powell*
